END OF YEAR NOTE

It is hard to believe that once again, our school year is coming to an end. As our year draws to a close, Mrs. Larkin and I would like to take the opportunity to thank you all for the support you have provided during another challenging year. It takes a village! Despite the challenges that were presented, we were able to finish strong and overall, we had another wonderful and productive school year. We would also like to extend a special thanks to our PTA who went above and beyond their call of duty to provide whatever was necessary to add to our students' school experience.

It is just about time to relax and enjoy all that the summer months bring. Remember to set some time aside for your children to practice the skills they have worked so hard on this year. Family reading time in a shady spot, keeping a journal of summer adventures, taking trips to a museum, and family game nights are great ways to do just that. Wishing you all a happy and healthy summer vacation! We look forward to seeing all of you in September!

-Mr. Aspetti and Mrs. Larkin

PTA PRESIDENT NOTE

Once again we find ourselves at the end of another school year. Where did the time go? For me and my family, this marks the end of our years here at Birch Lane. I would like to take this time to thank everyone for their assistance over the past two years. We could not have provided all the events for the students without you! My sincerest appreciation to Mr. Aspetti, Mrs. Larkin, and the entire staff at Birch Lane, to my executive board members and all the people that I've met along the way for all their support and for making Birch such a wonderful place.

Thank you,

Heather Callahan

Birch Lane PTA president
